As you turn the pages of the 1982 Dragon Spirit Yearbook you will find that it is very unique. The staff and myself wanted this yearbook to be different — so we tried to make it different. A lot of hard work and time was spent on preparing this yearbook for publication. We had our share of problems but somehow they always seemed to work out. A lot of appreciation goes to Mr. Hux for his help and understanding this past year. The staff and I hope you enjoy this yearbook as much as we enjoyed putting it together. We hope these 192 pages will always bring back memories and events of 1982.

Mrs. Margaret Templeton a former graduate of Junction City High School has devoted 29 years to teaching Home Economics in this school. Mrs. Templeton is a graduate of Ouchita Baptist University in Denton, Texas.

Mrs. Templeton or Mrs. "T," as she is known by the students, has seen a great deal of changes in the educational system during the past years but she still enjoys helping students develop skills that will help them during their adult life.

Mrs. Templeton is the wife of Maurice Templeton and together they own a local clothing store, "The Four Seasons." They have one daughter and two grandsons. Family has always been very important to Mrs. "T" and she really enjoys her grandchildren. She has been quoted as saying, "Grandchildren are better than children because they give you joy without responsibility."

SPIRIT OF FRIENDSHIP

Hottest Spirit Around!

What is **SPIRIT**?

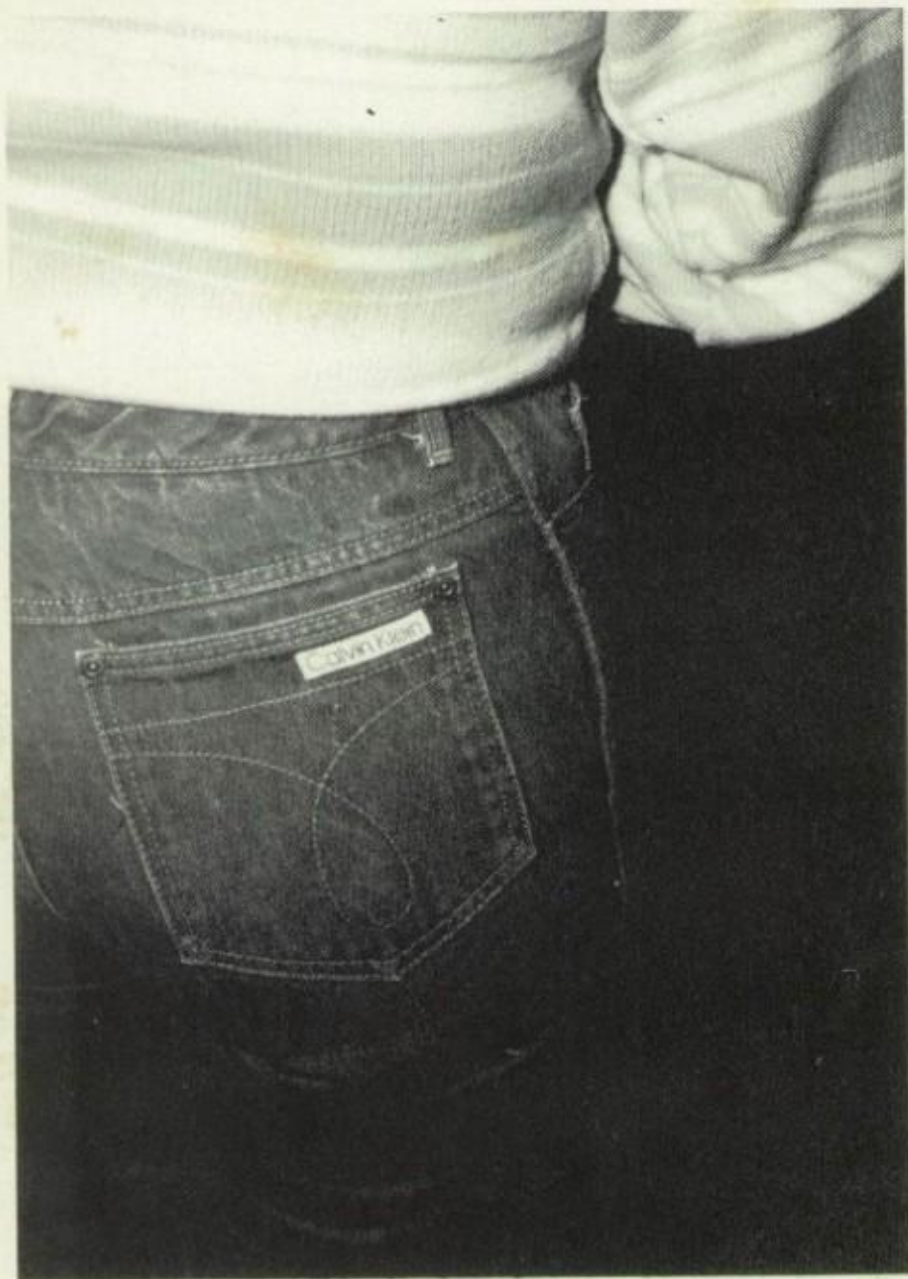

SPIRIT (spir'it), A mood; an attitude; a general outlook. Something full of energy; active.

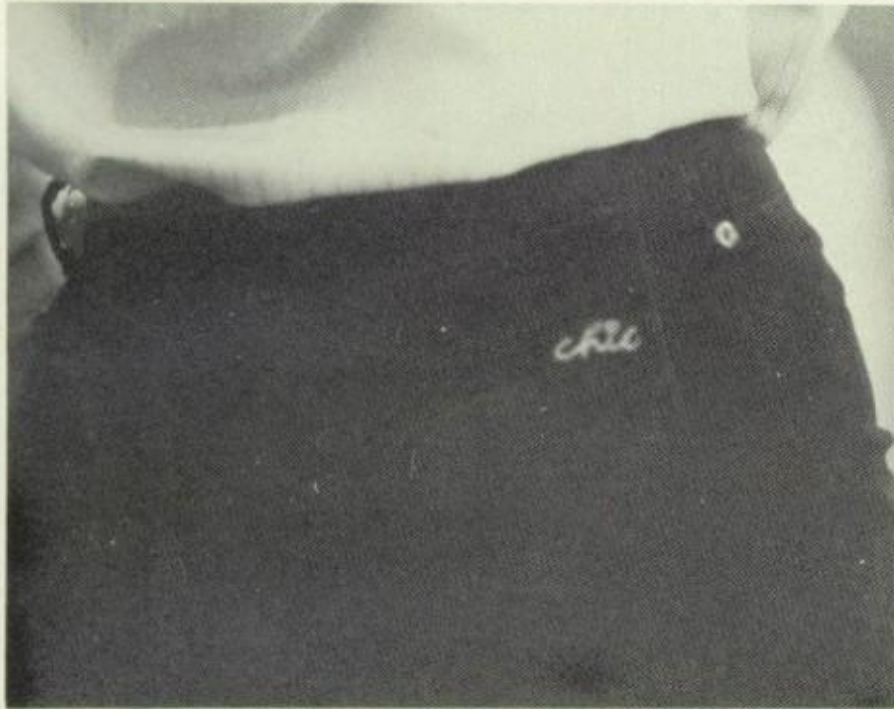

Spirit is a part of the everyday life at JCHS. It is expressed in many different ways. Some show their spirit at pep rallies, games, and other school activities. Still some show spirit by being happy and making others happy. Spirit is something we can treasure because it's a part of us at JCHS.

Fads . . .

Every year there are many changes at J.C.H.S. One of the major changes from year to year has been the fads that come and go. The fads of 1982 are izod shirts, boat shoes, straight-leg jeans, Nike tennis shoes, Calvin Klein jeans, electronic games, chic jeans, punk rock, and most of all pacman fever. The fads will continue to change but these will always be remembered by the class of '82.

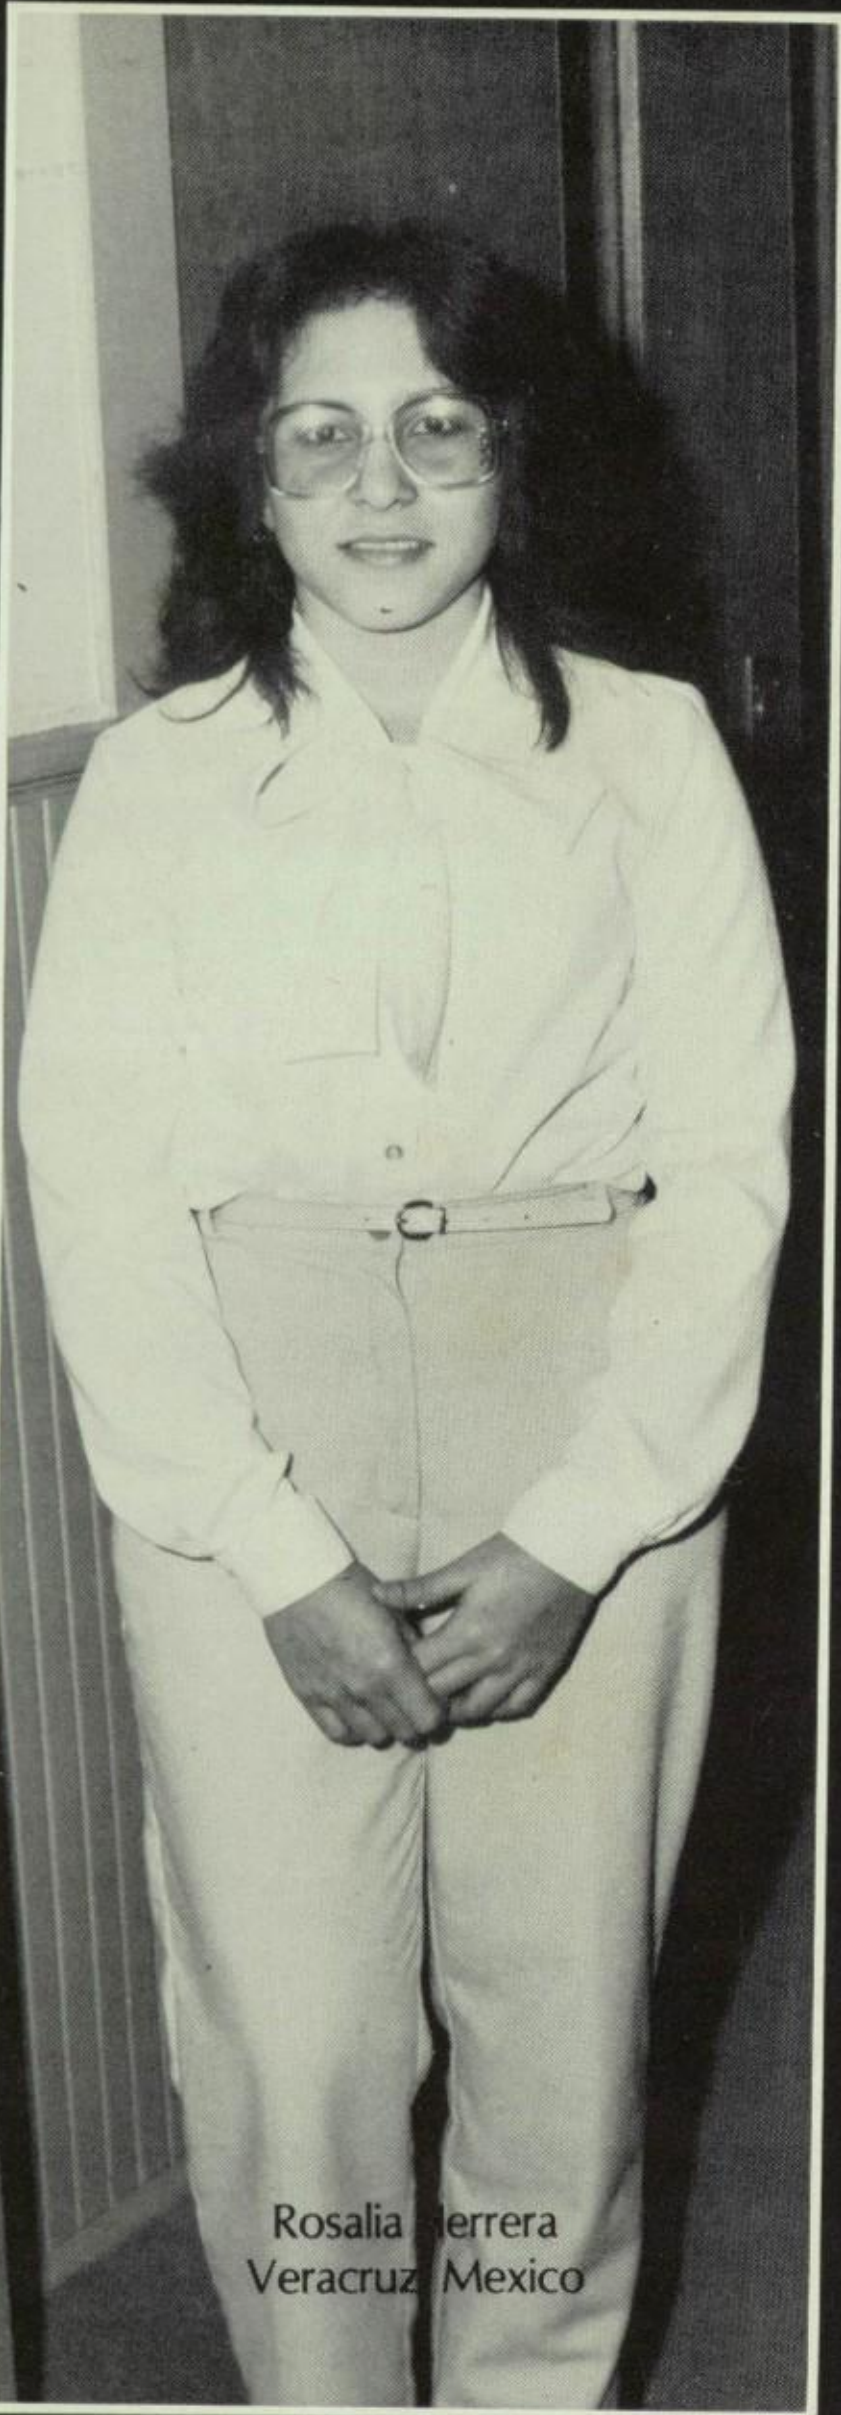

SPIRIT

Let's Hear It!

Even as school opened in August, our eyes were on graduation day, the day we would bravely leave high school — full of plans, full of hope but still rather wistfully looking back. We determined to make 1982 our best year and we did, filling it with study and work, fun and play. As we go out into tomorrow's world we will take with us many precious memories of today.

Rosalia Herrera
Veracruz, Mexico

"Rosalia"

Junction City is not exactly where most of us would spend a year's vacation, but that's exactly what this year's foreign exchange student did.

Rosalia spent part of the year with Mr. and Mrs. Gerald New and the rest of the year with Mr. and Mrs. Richard Kirk.

Rosalia will return to Mexico in the summer to continue her education in Law.

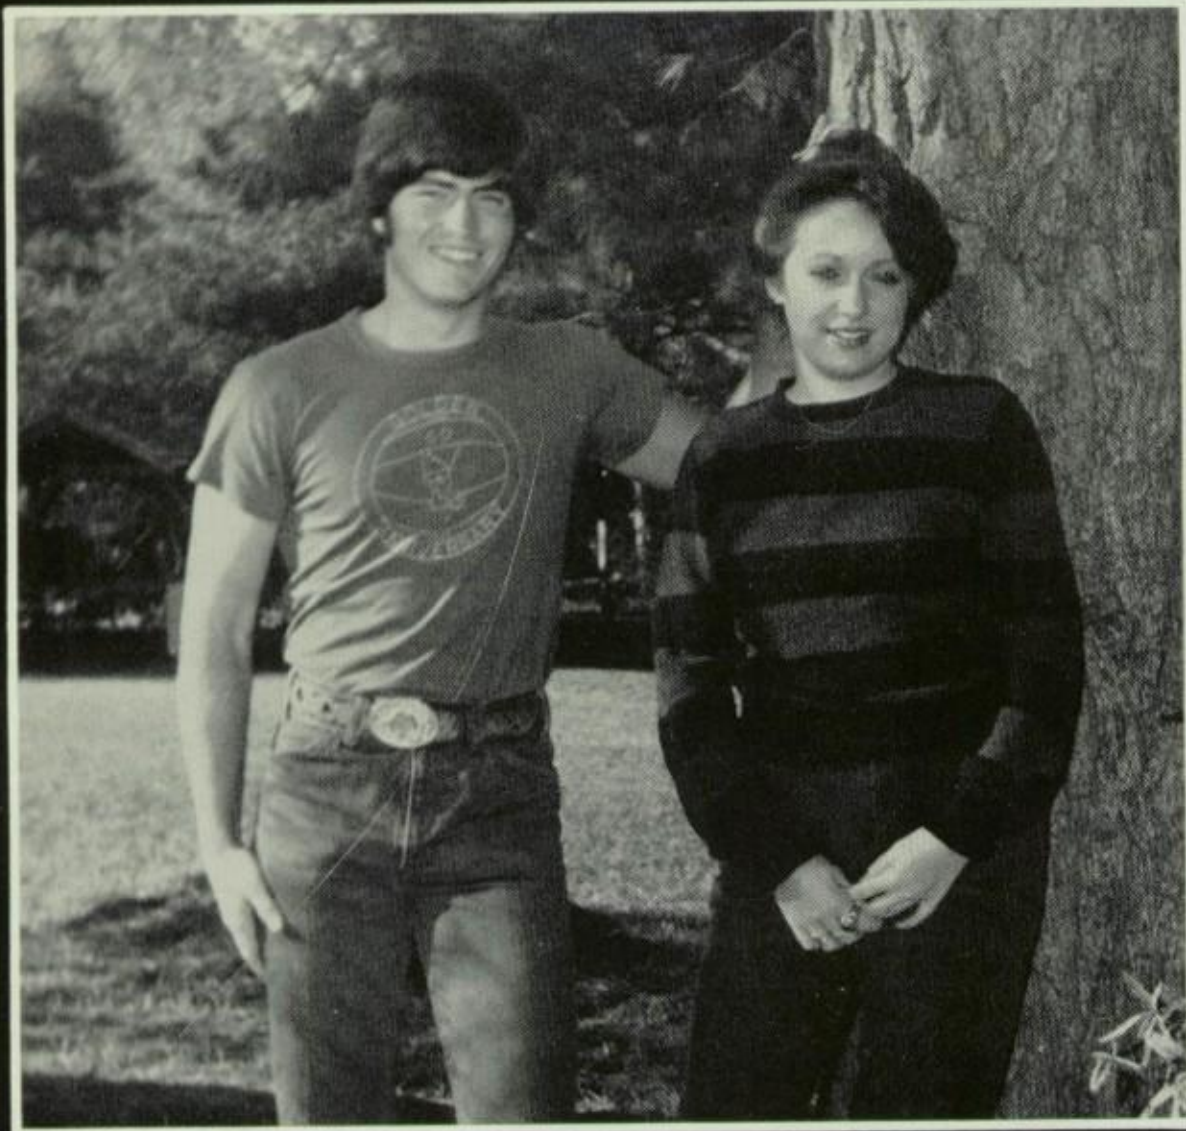

1. Mrs. Endel and Paula Rowland at work.
2. Dragons reaching for the stars!!!
3. There is always plenty of work to go around on Homecoming day.
4. Crowded halls are an every scene!!!
5. Jan Huskey's "normal" expression!!!

Spring Follies

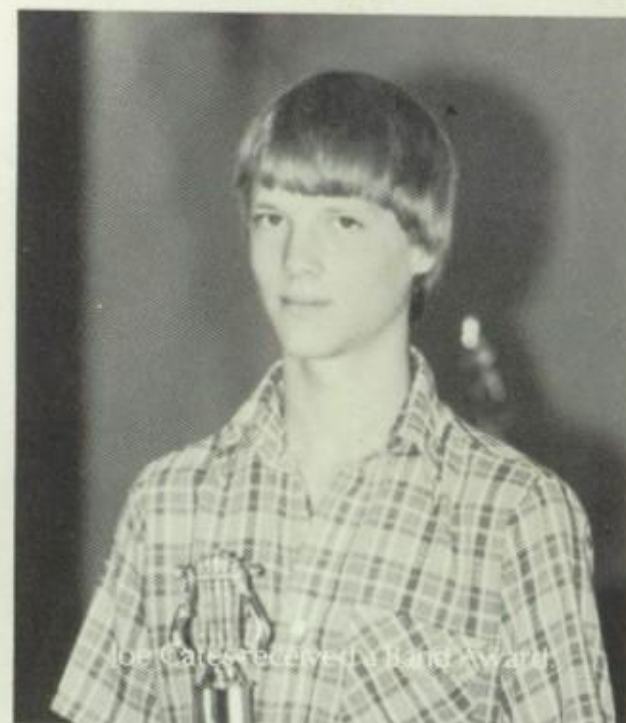

The Yearbook Staff of 1982 would like to thank the student body of JCHS for making the annual Spring Follies a great success. To make the program presentable, the Yearbook Staff was involved in much overtime work and many "little talks" from Mr. Hux before the closing act. But we can all truthfully say it was worth it and it's one we'll always remember.

Mr. and Miss JCHS
Sherri Jeter and Jon Jerry

Sherri is the daughter of Mr. and Mrs. Wayne Jeter. Her hobbies include singing and playing the piano. Sherri's High School activities include Class officer, Annual Staff, Band, Sophomore Homecoming Maid, Sophomore Class favorite, Who's Who, and winner of the 1981 Miss Junction City Pageant.

Jon is the son of Mrs. Doyne Jerry and the late Mr. Doyne Jerry. His hobbies include fishing and hunting. Jon's High School activities include two year letterman in Football, Fellowship of Christian Athletes, Senior Class President, Homecoming Escort, and Who's Who

Homecoming Highlights . . .

The spirit of Homecoming was promoted in several ways during that week. As the day of the game neared, students and faculty members spent many hours building floats and decorating classroom doors.

The festivities started with a pep rally in the new gym where the 1981 Homecoming Court was presented. It was an exciting pep rally, and possibly the best one produced by the J.C.H.S. Cheerleaders. The rally promoted spirit for the following night's game against Hermitage.

Homecoming '81 will never be forgotten because of the cancellation of the parade due to rain. The students didn't let this get them down.

Queen Sandra Hoof and her court were again presented during the pregame activities.

All in all, Homecoming '81 was one of the best ever, when the Dragons beat the Hermits 8-6!

HOMECOMING

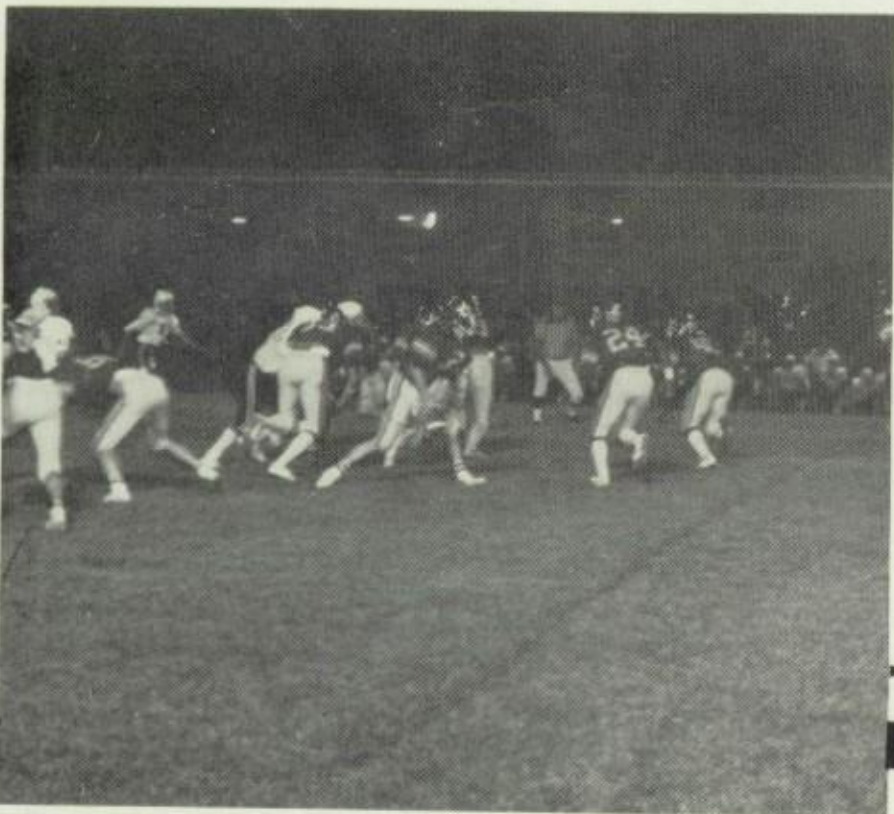

Many festive events filled the day's schedule on Homecoming. All the students were more than willing to get a free day to help build floats and decorating doors. The pep rally was one we'll never forget, thanks to the Cheerleaders, student body, and Homecoming Queen and Court. Homecoming night was topped by a victory over Hermitage.

An Ordinary Day at JCHS

Days at JCHS are filled with many activities that have to be complete before the three o'clock bell. There's always endless homework assigned and instructions to be given before the next deadline in Annual Staff. A day never goes by without some little lecture from Mr. Hux. Even though there is a lot of hard work and studying, there's always time for day dreaming.

To express their admiration, the Junior class presented a fantastic banquet on April 23 for the Seniors of 1982. The theme was "Searching for a Rainbow." The evening included a variety of entertainment provided by the Juniors and Seniors of JCHS.

The banquet was enjoyed by everyone and will always be remembered.

Ben Smith and David Hall give the Seniors the hard facts about years to come.

Jon Jerry, president of the Senior class, gives the Juniors what they deserve — thanks.

Juniors and Seniors enjoying the delicious food.

While giving the Senior Roast, Mr. Hux and Mrs. Kirk really "burned" the Class of 1982.

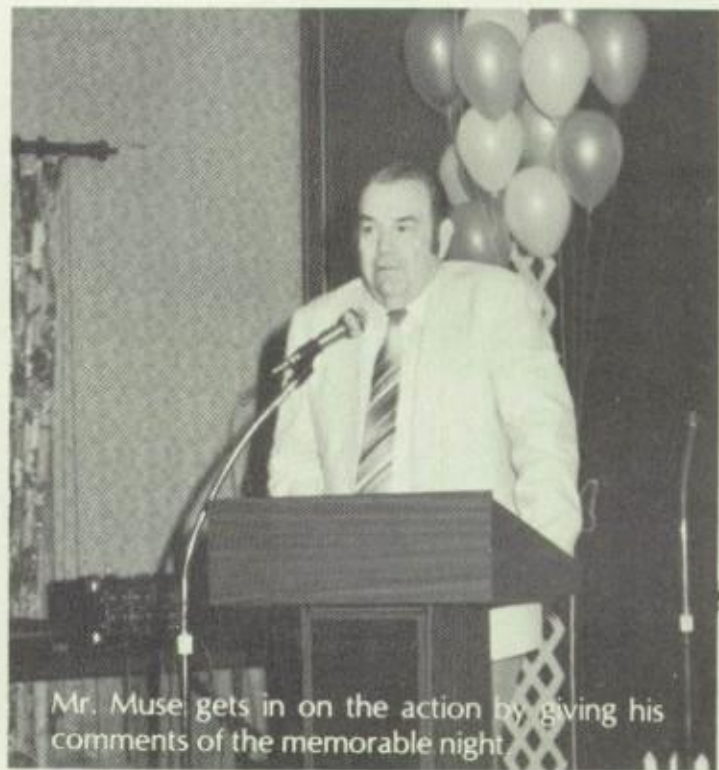

Banquet

Vince Holyfield and Betsy Steward exhibit their talent by singing the Sr. class song, "Just Once."

Patty Hargraves brings a tear to everyone's eye, including her own, as she sings the song she wrote and dedicated to the Senior class, "Class of '82."

Mr. Muse gets in on the action by giving his comments of the memorable night.

Just a few of the head knockers!

Sr. Play

For our entertainment, the Seniors of 1982 presented a mystery play entitled "Who Killed Aunt Caroline?" It took a lot of hard work and many hours to put out this play but it was well worth it. The cast was joined closer together as they worked trying to learn their lines, getting their costumes ready and getting the stage ready for the big performances. The play was enjoyed by everyone.

German Class Takes Trip

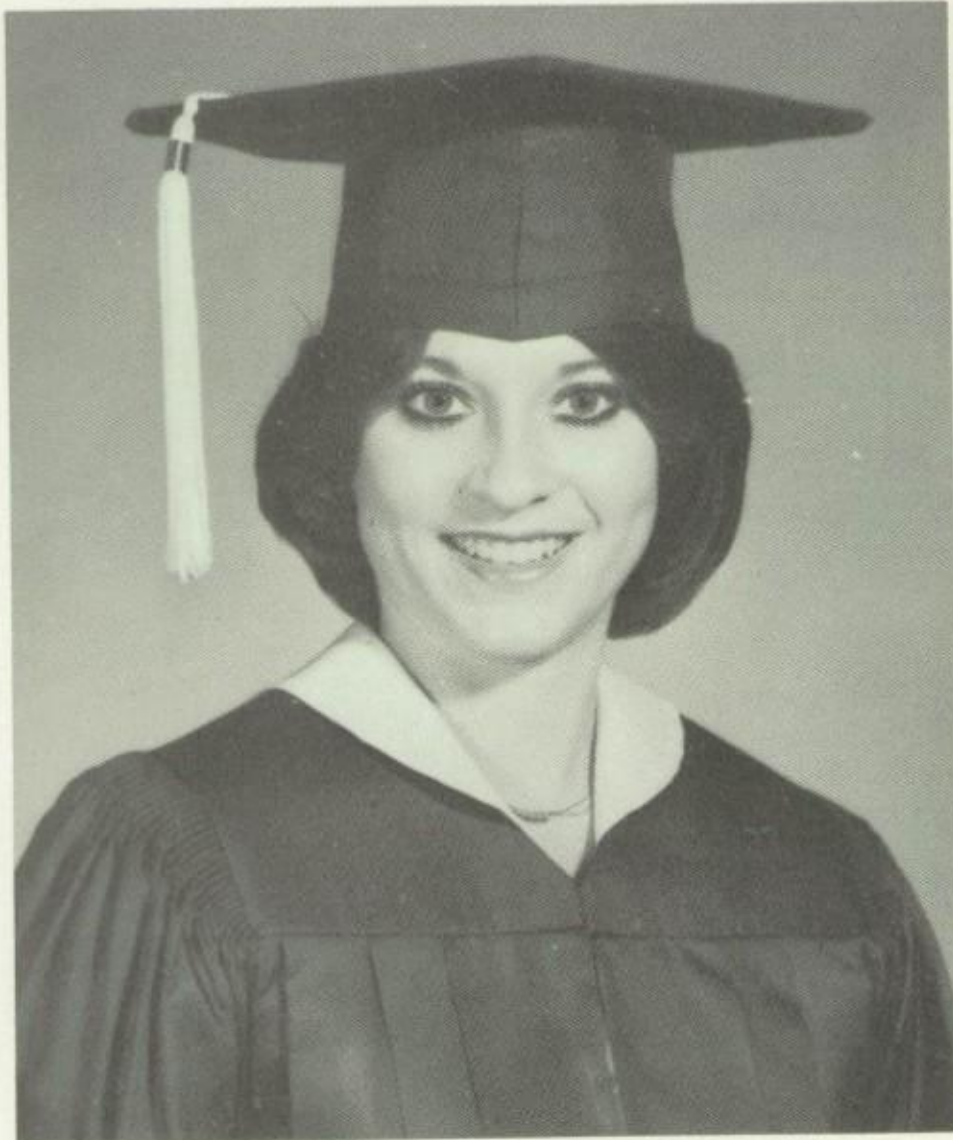

During spring break nine students and Mrs. Kirk flew to Germany. They toured cities, palaces, magnificent churches, and drove through the Alps. They were impressed by the cleanliness of the countryside, ditches, forest, streets, alleys — everything was clean.

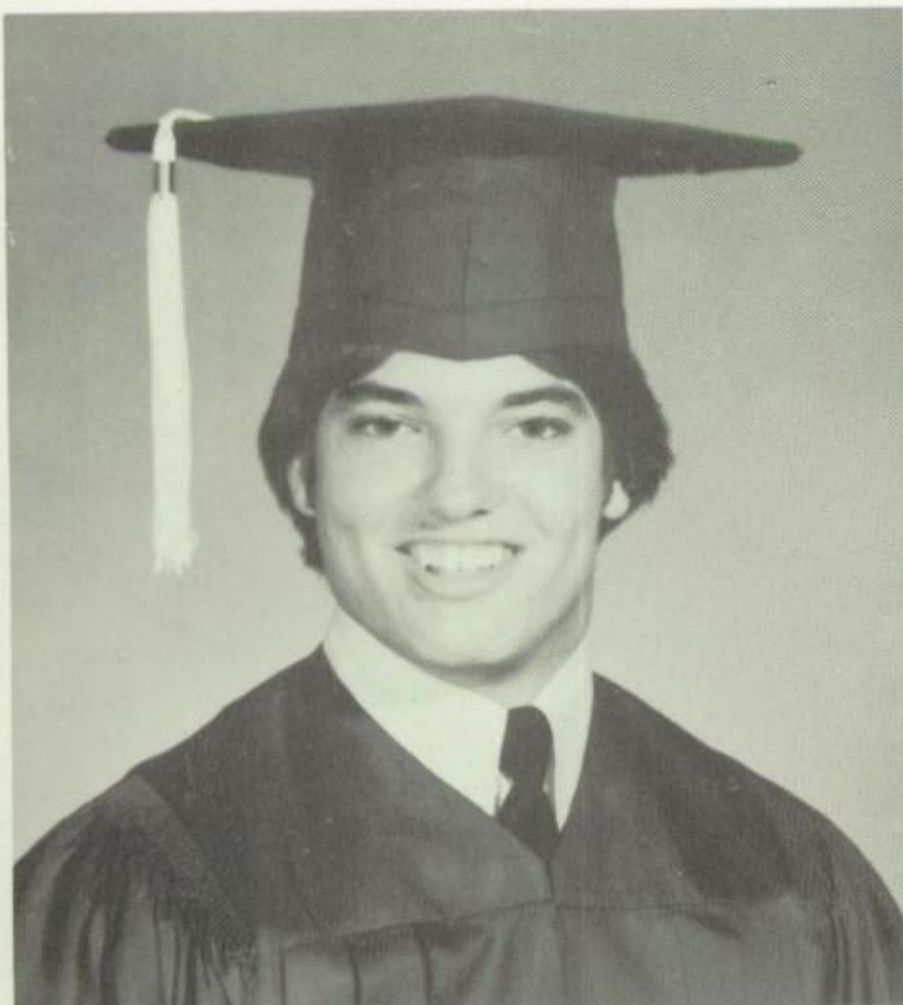

The group had many new experiences — flying — getting passports, going through customs, shopping in foreign countries, enjoying local folk entertainment, climbing mountains in the snow, riding subways, and trying to find their way back to the hotel.

Everyone had a great time. There was much learning and maturing. Each one that went on the trip is now able to pack his or her bag and travel with confidence.

It's graduation and it is unbelievable that I'm here. They'll call my name in a few minutes, and I'll walk up to receive my diploma. Where do I go from there? I always had the security of the school routine and its activities, surrounded by the friends I was so familiar with. Now we'll all be going our separate ways, and I wonder how long it will be before the memories that meant so much start to fade. After twelve years of this, you would think I would be ready to move on, but I feel like I'm leaving a part of me behind. Maybe that's good though, because I really have changed in the time I've been here. Well, pretty soon they'll get to my name. Then I'll be up there, and it'll all be over. In a way it is just a beginning.

VINCE HOLYFIELD led the Dragon rushing attack with 1307 yards on 211 carries also scoring 14 touchdowns with a 6 yard per carry average. He also had 296 return yards including a 95 yard kick off return in the opening game against Norphlet. He also led the team with 90 total points. Vince was chosen Arkansas Player of the Week for his 331 yard performance against Bernice highlighted by a 90 yard touchdown run and received Honorable mention for this award with 173 yard, 4 touchdown game against the Stamps Yellowjackets.

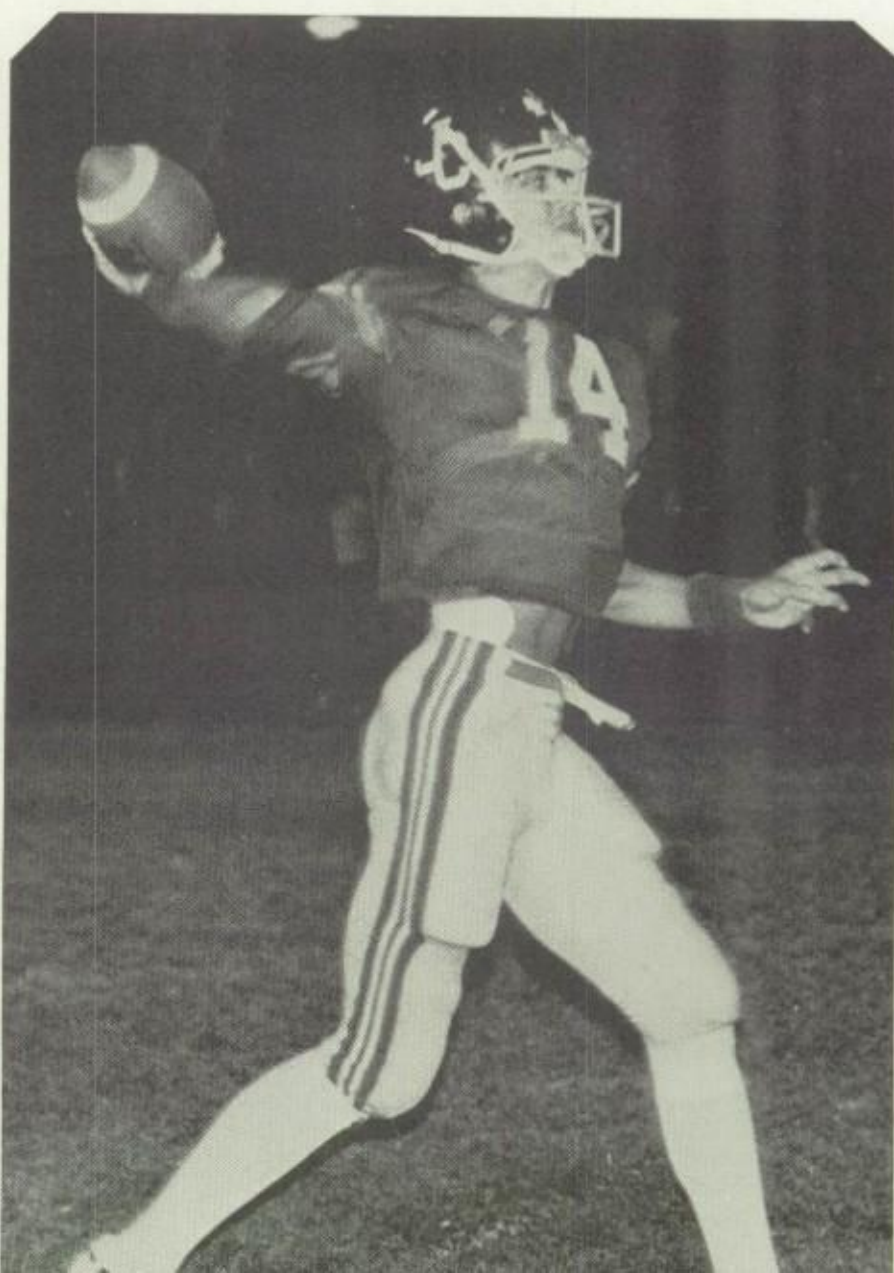

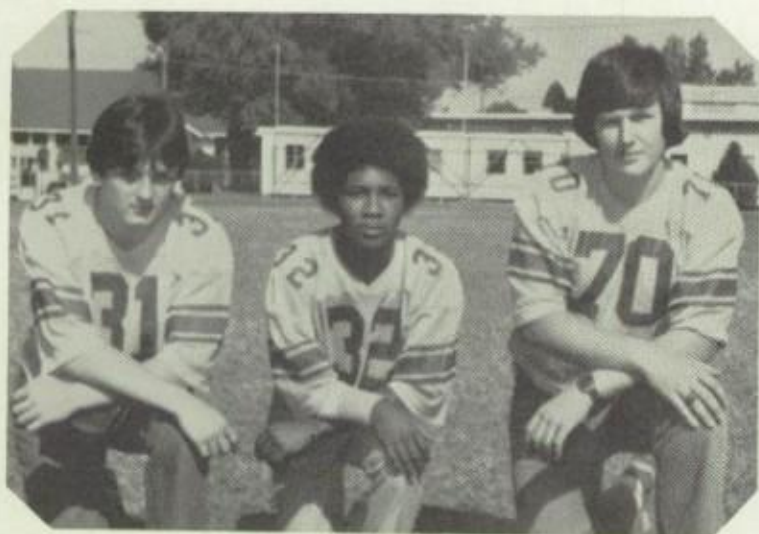

Football

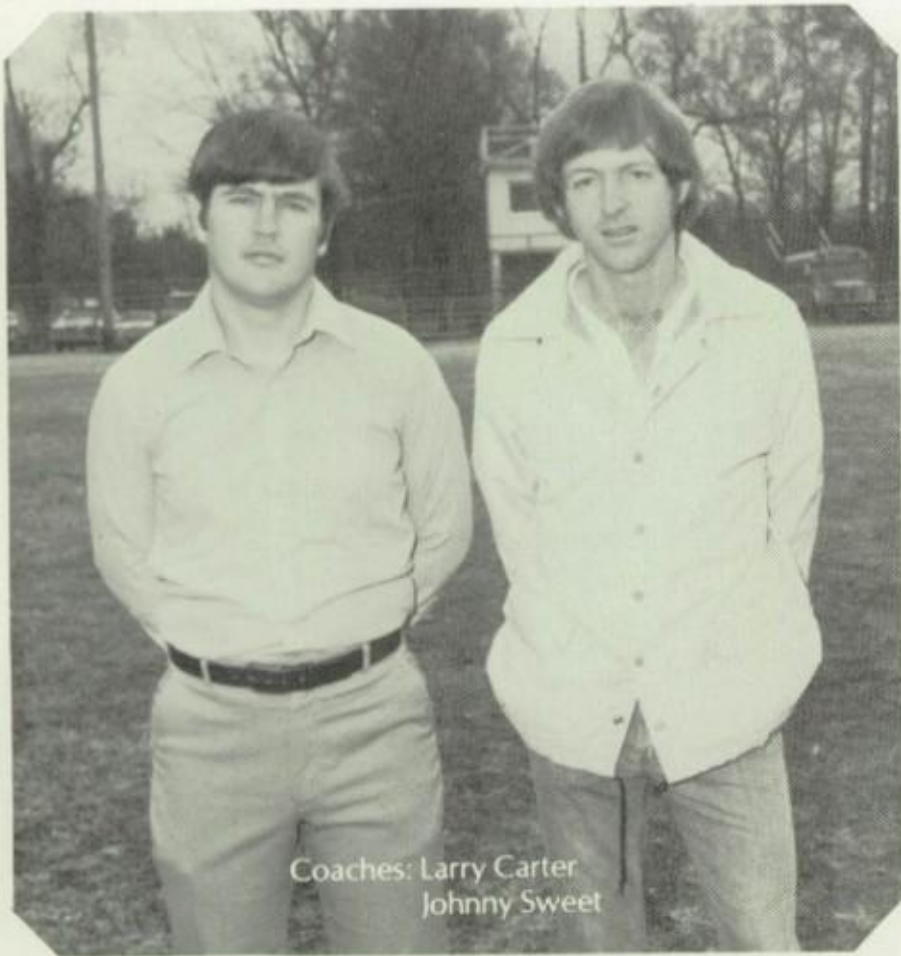

The year began with high hopes but a lack of experience proved to be a killer for the Mighty Dragons. Close losses to Norphlet, Homer, and Fordyce really put a damper on what could have been a very good year. Coach Crumpler said, "This was a rebuilding year for the Dragons with 27 people lettering, 18 of those lettermen will return for the 1982 and 1983 seasons. The Dragons were led by Seniors Brad Smith — Guard, Linebacker, Leading Tackler; Steve Grafton — Offensive Tackle, Defensive Tackle; Jon Jerry — Offensive Tackle, Defensive Tackle; Darrel Hollidy — Cornerback, Leading interceptor; Michael Black — Linebacker, Defensive End; Billy Green — Guard, Defensive Tackle; John Womack — Wide Receiver; Kelly Ownes — Punter; Vice Holyfield — Tailback, Safety

Fordyce came to Junction City ready to win the District championship. They had a 245 pound defensive lineman, a big quarterback, a good end and a big cake that said District Champs 1981. When the game was over the 245 pound lineman had been whipped by our 135 pound guard, the quarterback had lost over 50 yards, the end did not catch a pass, and they had to stop at Hampton on the way home to leave the cake.

1982 was another banner year for the Dragons. Our graduating seniors left behind 4 straight District 7AA East Championships, 2 Southern Arkansas University Championships, the Henderson State University Championship, and 2 State Championships. Their dream of 3 straight state titles ended with a bitter 4-1 loss to Highland in the state semi-finals. Our final record was 31-3 with all district honors going to Kelly Owens, Doug Disotell, Russell Robin, Perry Franklin, Brad Smith, Ellis Farris, Vince Holyfield and George Glover.

Kelly Owens, Vince Holyfield, Russell Robin, and Perry Franklin were all named to the ALL STATE team.

HOMEMAKING AT J.C.H.S. IN THE '80'S

We have a valuable curriculum in the education of the future homemakers of our area. A student who elects to take Homemaking for three years has acquired knowledge and skills in the areas of foods, clothing, personality development, housing, child care, handicrafts and consumer education. These skills and experiences in the classroom should be taken into the home for practice and mastery of technique. In a generation plagued with economic problems, we are trying to maintain a flexible and growing curriculum in all these areas.

It has been very gratifying, over the years, to see these girls mature into responsible adults. We try to improve communication between parent-teacher and teacher-student. This factor of communication has a great deal to do with the skills and maturity of each girl in our program.

Students and MR. Patterson work on projects for baseball field.

Industrial Arts students work on their projects.

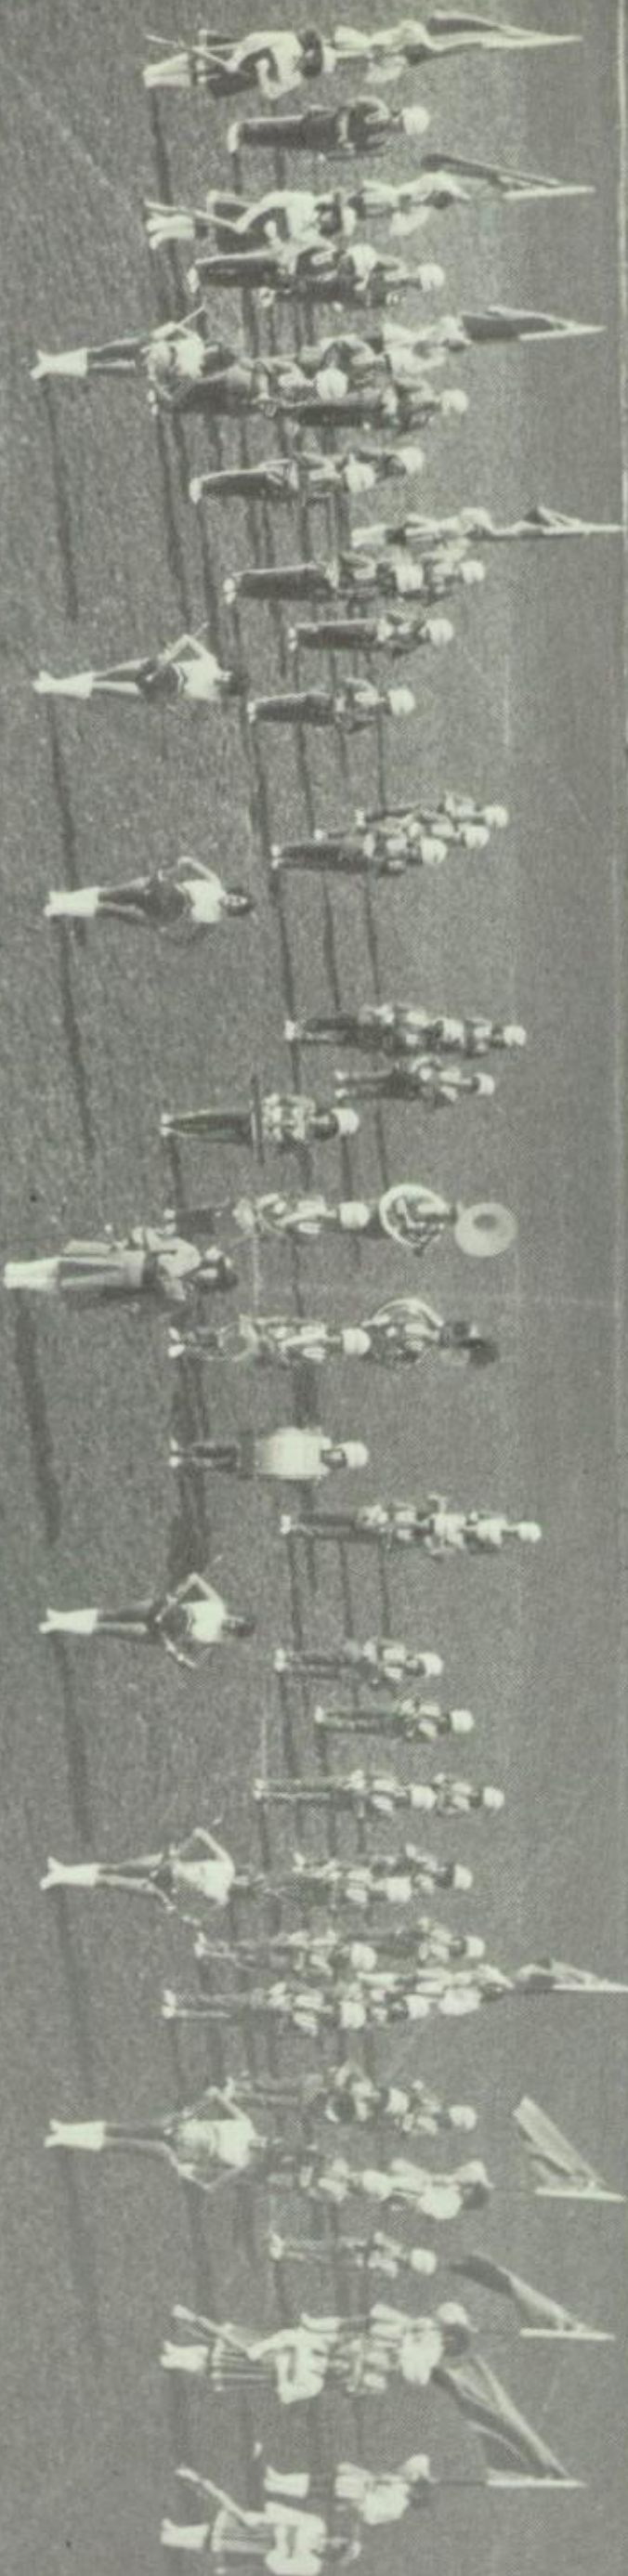

The Industrial Arts class has helped with many projects around the school. Their work on the baseball field has turned it into one of the best around. On homecoming they help get the floats ready by building the frames and helps many young men find a career in carpentry, welding, or other skills that will help them in the future.

Concert season brings a new outlook. Everyone is working hard to go to District Festival and then maybe even on to State.

But wherever the band may be, whether it is on the football field or in a concert, they can always be found showing plenty of school spirit for J.C.H.S.

This year the newly formed German Club has spent their time preparing for the trip to Europe in the spring. The members have been busy saving money, applying for passports, buying new cameras and planning what to pack. The trip, which includes a visit to Germany, Austria, and Switzerland should be the highlight of the year.

FCA

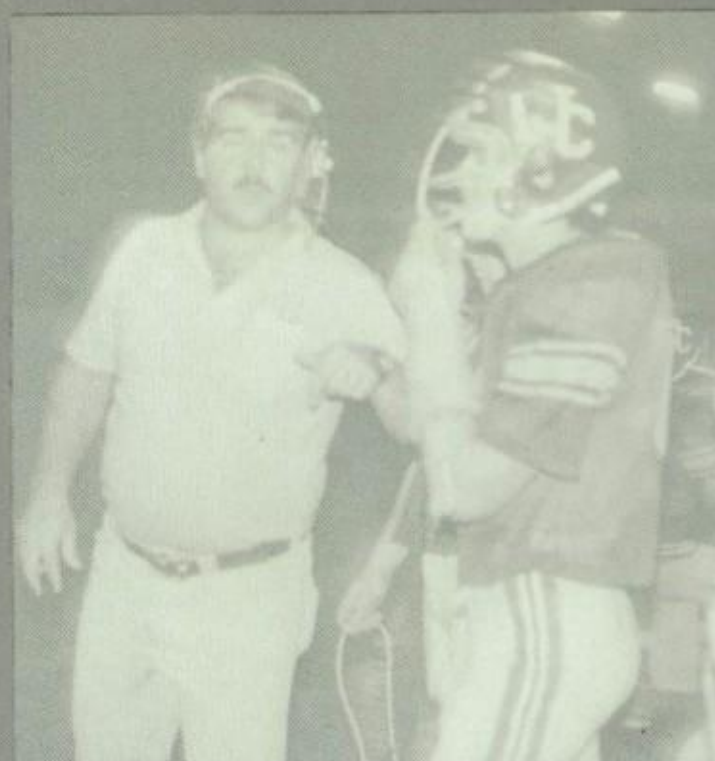

The FCA provides an opportunity for athletes at J.C.H.S. to compete in a Christian atmosphere. They hold meetings to discuss the Bible and to plan fund raising activities. Some of the activities include the "Powder Puff" football game between the Junior and Senior girls and a basketball game between the FCA Athletes and the Faculty. The FCA hopes to continue to be an important part of the Athletes life at J.C.H.S.

Everyday Dragon

Even as the school year began our eyes were fixed on the last day of school. We were full of excitement and anticipation for the upcoming year.

As we entered the school doors for the first time from summer vacation, we noticed many changes in ourselves and others.

The band and football team started school before school even started. They spent many hours practicing in the hot sun.

SPIRIT

Football season was great! The cheerleaders always did an excellent job getting the team pepped up at a pep rally. The seniors seemed to win the spirit stick every week from Mrs. Davis and the junior class.

Every student looks forward to one main event during football season — **H O M E C O M I N G**. Homecoming day is spent decorating floats, pepping up the team, and trying to stay out of trouble. We were unable to have the parade this year due to rain. A few days after Homecoming everything finally gets back to normal.

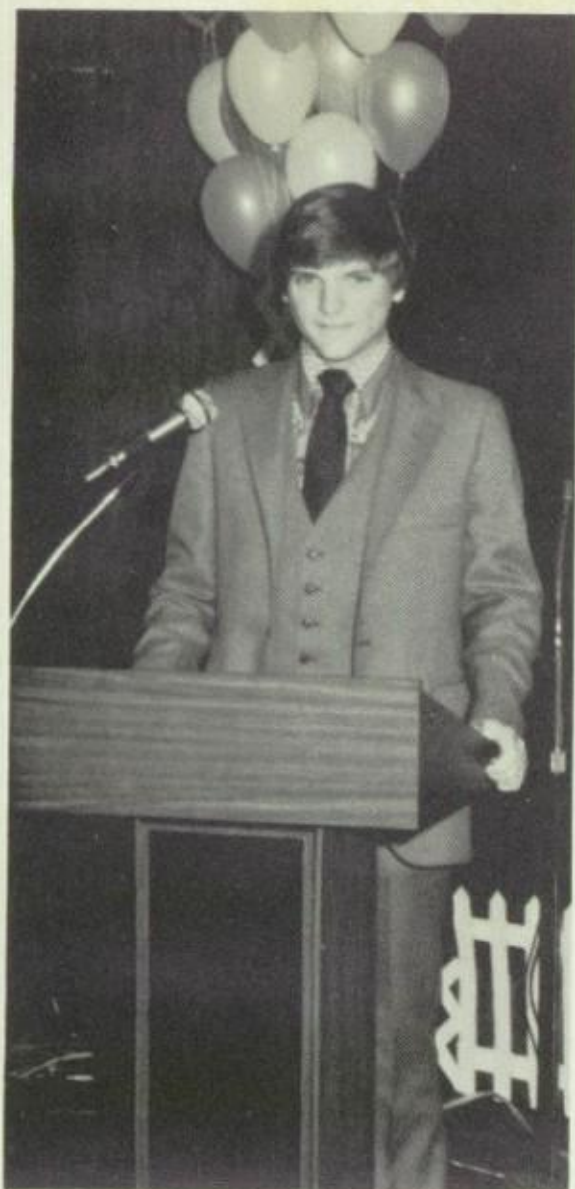

In November and December we have our Thanksgiving and Christmas breaks. The day we got out for Christmas we had a party in the gym. The yearbook staff held a drawing for a color T.V.

After we returned from Christmas break we started preparing for Dual State. Even though there was snow on the ground for a week we somehow put together a Dual State Program. The entire week was filled with nothing but basketball games. Saturday night the gym was packed with people from everywhere.

The Sr. Play was held in March. The cast spent many hours rehearsing and finding costumes. Mrs. Kirk did a great job directing both performances. Even though there were a few boo-boo's, it turned out to be a big success.

The Kings Inn in El Dorado was where our Jr.-Sr. Banquet was held. The juniors had a carnival to raise money to cover the expense of the banquet. The evening's meal was seafood. A variety of entertainment was provided by J.C.H.S. students. The Junior Class did an excellent job on preparing this banquet.

Some of our students spent their spring break in Germany. They seemed to have had a really good time. They had many new and trying experiences.

Throughout the year students were trying to achieve all kinds of goals. Many awards and scholarships were presented on Awards Day. You could surely see that the students of J.C.H.S. were striving to meet their goals.

B-a-s-e-b-a-l-l — We had another great baseball season. The team worked hard and you could really tell it. The baseball park was named and dedicated to J. B. Allen.

Finally May 11 arrived — Graduation! We thought this day would never come, but to our surprise it came too soon. Seniors left J.C.H.S. full of dreams, new ideas, and goals. Graduation was the last event on the calendar. School was officially closed May 18.

Danny and Beth Endle carried the sophomore class to Folly Beach the after school was out. They swam, played frisbie, and had a picnic. They all enjoyed the trip except for the sunburn.

From August to May many events and changes took place. The activities and events of the past school year will always be remembered.
